Install

Installation type

This computer currently has no detected operating systems. What would you like to do?

☐ Erase disk and install Ubuntu

Warning: This will delete all your programs, documents, photos, music, and any other files in all operating systems.

Advanced features...

None selected

☒ Something else

You can create or resize partitions yourself, or choose multiple partitions for Ubuntu.

Quit

Install

Find even more software

Say goodbye to searching the web for new software. With access to the Snap Store and the Ubuntu software archive, you can find and install new apps with ease. Just type in what you're looking for, or explore categories such as Graphics & Photography, Games and Productivity, alongside helpful reviews from other users.
